GAMUDA BERHAD- MUHAMMAD EILMAN BIN HASBOLLAH**

Dear Hiring Manager,

**APPLICATION FOR INFORMATION TECHNOLOGY INTERNSHIP AT GAMUDA
BERHAD**

I am writing to express my enthusiasm for the Information Technology Intern position at Gamuda Berhad. I am currently a 22-year-old software engineering student at Universiti Tun Hussien Onn Malaysia with a CGPA of 3.50. I am eager to leverage my academic background and passion for software development in a dynamic and challenging environment, and I believe your esteemed company offers the perfect opportunity for me to do so.

Throughout my academic journey, I have honed my skills in various aspects of software development, including proficient analysis, design, development, and testing methodologies. My coursework and projects have equipped me with a solid foundation in programming languages, software engineering principles, and collaborative team efforts. I am confident that my technical skills, coupled with my ability to work effectively both independently and as part of a team, make me a strong candidate for this internship.

One of my core strengths is my dedication to continuous learning and self-improvement. I actively seek opportunities to expand my knowledge and skill set, whether through academic pursuits, personal projects, or professional experiences. This drive has prepared me to contribute meaningfully to Gamuda Berhad while also gaining invaluable hands-on experience in the field of information technology.

I am available to start the internship on 5th August 2024 and can commit to the role until 17th January 2025 (6 months). I am excited about the possibility of contributing to your team and learning from the industry's best.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasms can be in alignment with the goals of Gamuda Berhad. Please feel free to contact me at +60 11 1177 5676 or via email at eilman.mails@gmail.com to schedule an interview.

Sincerely,

Muhammad Eilman bin Hasbollah
